Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In response to the Office action mailed October 2, 2002, in which the Examiner imposed a restriction requirement, please consider the following remarks.

The Examiner required restriction under 35 U.S.C. § 121 to one of the following groups:

- Group I. Claims 1-18, drawn to a device for treating ischemic tissue; and
- Group II. Claims 19-21, drawn to methods for treating tissue.

Accordingly, Applicant elects to prosecute Group I, claims 1-18, in this application. Applicants fully reserve their right to prosecute the subject matter of the non-elected claims in a subsequent application.
